WAIVER:

I know that running and volunteering to work in club races are potentially hazardous activities. I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run. I assume all risks associated with running and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of the weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these risks, and in consideration of your acceptance of my application for the Road Runners Club of America, the Visalia Runners Club and all sponsors, their representatives and successors from claims of liabilities of any kind arising out of my participation in these club activities even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver.

The waiver is at the request of the national RRCA and is needed to meet the insurance requirements that cover club activities. A portion of your annual dues goes to the RRCA to cover insurance and \$1.25 is for a subscription to "Club Running", the RRCA's quarterly publication that you will receive as a member.
